

Association of Canadian Colleges & Universities 2022 Season

The ACCU is a fictional collegiate league created for Cold Snap. Consisting of twenty-four fictional colleges and universities across Canada, the ACCU is broken down into four conferences: Western Conference (WC), Central Canadian (Ontario) Conference (CCOC), Universités et Collèges du Québec (UCQ), and North Atlantic Coast Conference (NACC). Top players within the ACCU are often drafted into the Interprovincial Pro Football Conference (IPFC). Within each team, Impact Players are named while others are simply referred to by position and number.

Each team within the ACCU plays two interconference pre-season games and eight conference regular season games. At the end of the regular season, the two top teams in each conference play in a conference championship game. The four conference champions are then ranked one through four and enter into the ACCU semifinals; the number one ranked team plays the number four ranked team, the number two ranked team played the number three ranked team. The winners of the ACCU semifinals play in the ACCU championship game.

Association of Canadian Colleges & Universities 2022 Season Instant Result Chart

Each ACCU team has a Power Rating from A to F. To use the Instant Result Chart, locate the Power Rating for opposing teams, roll 2d6 using the 11-66 method, and refer to chart. If the roll result is within the chart's range, the home team wins. If outside the range, the away team wins.

2022 Collegiate All-Stars

These four team cards represent the 2022 ACCU 1st and 2nd Team All-Stars within each conference and who have the potential to enter the 2023 IPFC Draft. Original player ratings and grades have been modified in order to make appropriate calculations for each All-Star team.

The intent of this card set is to project and preview upcoming IPFC prospects. However, these teams can be used to play ACCU All-Star teams against each other. If ACCU All-Canadian teams are used to play against IPFC teams, use either the “golden die” or decider-die method. For the “golden die”, roll a d6. On a result of 1-3, ACCU teams have a Pass/Run rating of 0/0, on 4-6 use original rating. With the decider-die method, use the ACCU team’s original rating on a “bullet” result and 0/0 on a blank.
