

## 2023 Nippon Professional Baseball for History Maker Baseball

2023 was a historic season for fans in the Kansai region of Japan, as for only the 2<sup>nd</sup> time in history, both league winners and Japan Series participants were from the region.

In the Central League, **the Hanshin Tigers** finally fulfilled the promise of the past few seasons, winning the Central League for the first time in 18 years. In the Pacific League, Yoshinobu Yamamoto won his 3<sup>rd</sup> straight MVP as **the Orix Buffaloes** won their 3<sup>rd</sup> straight title. Both teams easily defeated their challengers in the Climax Series (Hiroshima Toyo Carp and Chiba Lotte Marines, respectively) to advance to the Japan Series.

The Japan Series itself went back and forth, as neither team ever took a 2 game lead, and in Game 7, the Hanshin Tigers finally won their first Series in 38 years with a 7-1 blowout win.

As always, statistics are taken from:

2689web.com (for most stats, the base for the leaderboards in this file and team records and colors)

1point02.jp (primarily for defensive statistics)

<https://baseball-data.com/> (primarily for lineups and starting position counts to build lineups)
