

Join us for the 2020 PLAAY Online Christmas Party!

Thursday, December 17th, 5pm MST

So we have a cool idea for an online PLAAY Community Christmas party, and we hope you'll join the fun! The party will be Thursday evening December 17th, starting at 5p, streamed live on the PLAAY Games Community Facebook Page. We'll also have a 30 minute teaser segment at noon that day, also streamed live on the page.

Here's the plan...

Last couple years, we've done a Christmas-themed "Snow Bowl" Fury stream with North Pole vs. South Pole, Elves and Grinches. The first year was football, last year a football/hardball double-header. This year, we thought we'd expand it to include a third sport--hockey--AND also turn it into a "fantasy league" type thing so that people could play along (sponsored by Fan Yule Sports Book, of course!).

We'll use the established cast of characters, and everyone will choose their fantasy team of three characters, they can be from either or both teams. We've set up an abbreviated, simple scoring system, where if your character scores a touchdown or hits a dinger, etc., you'll score fantasy points. The Fan Yule score sheet and cards for each character, each sport, are part of this package--look them over and decide who you'd like on your fantasy team. This will be for "chat room bragging rights" only (mainly because of the difficulty of tabulating/verifying point totals), but we think it'll be a lot of fun!

We also thought it would be cool to have special guests coaching the South and North Pole teams. We've recruited an all-star line-up of PLAAY community guest coaches, see below.

It wouldn't be a Christmas party without an Ugly Sweater contest, right? So we invite you to post a photo of an ugly sweater (you don't even have to be wearing it, but bonus points if you are!), if your sweater is among those with the most likes, you get to pick a present from underneath the PLAAY Christmas tree!

We'll also have an audience-participation activity, "Christmas Match Game '20"--similar to the old Gene Rayburn-hosted Match Game of the '70s. Give us your best match to a series of open-ended Christmas-themed questions--your job is to match the number one answer, as submitted by everyone. The person with the most matches gets to pick a present from underneath the PLAAY Christmas tree! You'll post your matches before the party starts in a Google Survey, linked in the Facebook post announcing the party. We'll announce the top matches and the winning entry (or entries) at the end of the show.

Here's the tentative schedule (all times Mountain Standard time)...

Part ONE: HAPPY JAI-ALAI-DAYS! Noon-12:30pm

In this segment, which will run about 30 minutes, I'll give last-minute instructions about the Fan Yule fantasy aspect of the party (everyone will have chosen their players by then), and kick off the event with a couple of jai-alai games (points from which will count in the fantasy league standings). We'll close this segment with an invitation for everyone to join us for the full-blown online party, which will start at 5pm MST.

Part TWO: The Party! 5pm-715pm

(10 minute intro, greeting)

Segment ONE: 30 minutes (5:10-5:40pm)

Hockey Night at the North Pole! (Abbreviated HOCKEY BLAST game with Travis Jansen's new stack-flipping app for Tabletop Simulator)

- Travis Jansen vs. Mike Vacco

(5 minutes switch-over time)

Segment TWO: 40 min (5:45-6:25pm)

Fury Hardball Doubleheader

- Ethan Musulin and Bob Hansen vs. Chris Dinkins and Al Wilson

(We'll play two games, each game uses completely different players (so as to give all players a chance to score fantasy points.)

(5 minutes switch-over time)

Segment THREE: 30 minutes (6:30-7:00pm)

Fury Football Snow Bowl III

- Mike Fitzgerald vs. Steve Tower

Segment FOUR: 15 minutes (7:00-7:15pm)

- Ugly sweater contest winner!
- Match game answers
- Thank you and good-night!

Hope you'll plan to join us! Questions? NOW is the time to ask! The e-mail address is info@plaay.com.

2020 Snow Bowl Fantasy League

Choose three players to make up your fantasy team by circling their names on the scoresheet (below). Keep track of points during the Snow Bowl LIVE stream by using tally marks.

Jai-Alai: 5 points for WIN, 3 points for PLACE, 2 point for SHOW, 1 point for ACE.

Hockey: 3 points for goal, 2 points for assist, 2 points for SPEC SAVE (goalie), 1 point for winning FIGHT.

Hardball: 2 points for DINGER (batter), 2 points for STINGER (fielder), 2 points for ZINGER (slinger).

Football: 6 points for TOUCHDOWN (offense or defense player), 3 points for SACK or INT (defense player).

In addition, each game every member of the winning team gets a bonus fantasy point!
