

2017 All-Star Game Cards for HISTORY MAKER BASEBALL

First, thanks to Paul Salzgeber for creating these cards—awesome work! With these cards, you can hold your own rendition of baseball's mid-summer classic, using the star players as YOU see fit!

Just a couple quick notes about this card set, before you dive in and begin playing...

The final all-star rosters were not set when these cards were created, so it's impossible to exactly echo the rosters that will be represented when the real game begins, July 11th at Marlins Park in Miami. Also, our informal "rule" for making this set is that every team gets at least one player on the roster. That said, based on past years' efforts, we're pretty sure that these cards will come very close to matching the players who actually suit up that night.

Since it's reasonable to assume that the atmosphere at All-Star Game "friendlies" is more festive and less competitive than a regular-season game, here are a couple of suggested rule changes which have incorporated into our own all-star game play-throughs...

- > No relief pitcher ACE bonus for facing first batter.
- > Pitchers become STRUGGLER• after allowing two consecutive baserunners, STRUGGLER after three.
- > All pitchers FRESH• for two innings.

Also included is the "Home Run Derby" add-on created a couple years ago by Brian Reising, from the PLAAY Games Delphi Forum.

If you have any questions or comments, let me know: info@plaay.com.

And now—"PLAAY BALL!"

Add some extra pizzazz to your All-Star Game by conducting your own Home Run Derby with this nifty little add-on created by **Brian Reising, APO, NY**. It's easy to use: just roll the three colored game dice, and add them together instead of ordering them from highest to lowest...

- 3 Home Run!
- 4 HR KING? Home Run!
- 5 Out.
- 6 Home Run!
- 7 Out.
- 8 SLUGGER? Home Run!
- 9 SMALL Ballpark? Home Run! Otherwise out.

- 10 HR KING AND SLUGGER? Home Run!
- 11 Out.
- 12 HR KING? Home Run!
- 13 HR KING or SLUGGER? Home Run!
- 14 BIG Ballpark? Out. otherwise Home Run!
- 15 Out.
- 16 SLUGGER? Home Run!
- 17 Out.
- 18 Home Run!

Brian posted on the PLAAAY Games Delphi Forum, "Mathematically a HR KING will hit a homerun around 30% of the time, a SLUGGER about 30% of the time, any other hitter hitting a homerun about 11% of the time. An out should occur around 30% of the time as well. All these will vary slightly based on the ballpark. Likewise, those are base results, and don't factor in the times where outs result from lack of quality, or taking into account semi-qualities not hitting. Overall, I'd say an out should occur about 60% of the time against someone who isn't both HR KING and SLUGGER, or roughly 6 homeruns in a 10 out home-run derby round."
