Short par 4 made tougher by large pond directly in front of green. Big hitters can go challenge off tee, others should lay up.

Excitement is in the tee shot, that sees hole 3 green between tee box and fairway. Should be an easy, but long hole.

Perhaps the easiest hole on the day. Water makes decision on club off tee, otherwise avoid bunker and take a par.

The hole lovingly called "Willow's Rest" is a sharp dogleg right with a large willow in the bend. A flop over lands on the green, around or through means more strokes.
